

making the sea route safer and more pleasant since 1991.

ABOUT US

ESSI d.o.o. is a private company established in 1991, engaged in the sale and service of marine electronics. Activities are carried out on the whole Adriatic Sea, as in many ports of the world as well.

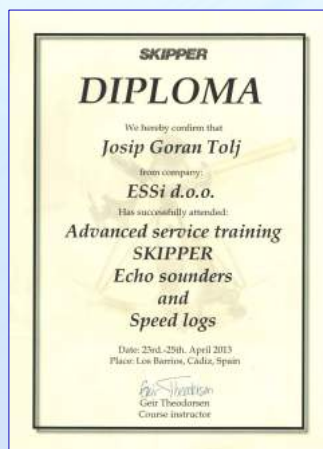

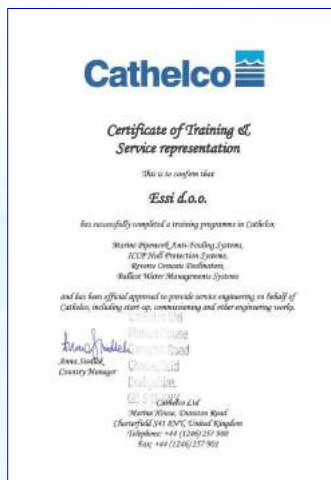

ESSI d.o.o., since of the establishment, in 1991, worked and still collaborates with many companies, whether state or privately owned, both within the country and abroad, shipyards and agencies.

Due to many years of experience, we are able to offer you the service of older marine navigation devices as well as spare parts for the same: CONSILIUM, C-PLATH, GEONAV, KELVIN HUGHES, TOKIMEC, YOKOGAWA, SPERRY.

We pay special attention to continuous education and training of our employees in accordance with the needs and development of the company and new technologies.

Ports that we serve:

- Croatia: Rijeka, Bakar, Gaženica, Ploče, Marina Krk
- Italy: Trieste, Venice, Ravenna, Taranto
- Romania: Mangalia, Constanta, Braila
- Montenegro: Bijela, Bar
- Bulgaria: Varna
- Latvia: Klaipeda
- Malta: Palumbo
